GENESIS 1 -11

## Study 5

GENESIS 3:1-13

### Share

What are some of the different ways people account for the 'bad stuff' in the world?

### Read

Genesis 3:1-13

### Observe

- If you had to summarise the goal of the serpent in this passage, what would it be?
- What are the tactics the serpent uses to achieve his goal?
- Jot down (perhaps on back of this page) everything that the man and the woman *should have done* differently in these verses?

### Reflect

- Where do you see the serpents 'tactics' in the world today?
- What is the immediate outworking of humanity's sin, where do you see this in the world today?

### Compare

Colossians 3:1-11

- How do these verses help us understand what it looks like to guard against sin today?

### Next steps

- What are some areas of your life where you feel you are in danger of resembling the actions or thinking of the woman and the man in this passage? What next steps can you take?

### Pray

Pray for each other that we will be real about the nature of sin, be confident in the work of Jesus to defeat it, and ask for God's help to change us each day.
