

## Studying the HSC? We Gotcha Covered!

We support HSC students on Big Camp by providing a year 12 only room with desks, whiteboards, powerpoints, extension cords and lots of encouragement.

Year 12 will have scheduled monitored study times during the day so that they each get 6 hours minimum study on each full day of camp. We'll also provide optional extra study hours too.

We provide breaks, food and great activities to keep year 12 encouraged as they study.

Any year 12 student on camp should come prepared with all they need to study, including their own internet, books papers. etc
