What is Big Camp?

Big Camp is 5 day camp with a great bunch of youth connecting with God and each other.

We spend time learning from the bible, playing awesome games, eating great food together, and engaging in lots of fun activities.

This year we're looking at the Message of the Cross and how it transforms our lives from 1 Corinthians 1-4.

We often see young people transformed by God for the rest of their lives on our Camps.

If you were in year 6-12 in 2024 we'd love you to come!

Start of Camp:

22 January 12pm

St Mark's Berowra Anglican Church

18 Berowra waters road, 2081

Camp Support: Katie Wright - 0423 379 626

I'm in year 12, can I study on Camp?

We encourage yr 12's to connect with God and others on camp. However, we do have time set aside where yr 12's can study and have a couple of quiet areas on camp that are perfect for study. Those who wish to study on camp are welcome to, but must bring their own internet, books, paper etc.

I'm not sure whether I can afford Camp, what can I do?

Call Josh - 0426 208 731. We'd love to provide you with some options to help you get your young person on Camp!

I can't make it for all of camp, what should I do?

You'll have the best experience on Camp if you're there for the whole time, but there are reduced payment options if you can't make it to all of Camp. Parents need to discuss pickup and drop off with the camp director.

Why is Merch not included in the price of Camp?

We recognize that the cost of a five day camp is significant, especially for larger families, so we've provided merch as optional add-on's that can be purchased by anyone.

How are you getting to the campsite from church?

Leaders and Parent driving in their cars.

No parent or leader is permitted to drive on their Red P's.

What about food allergies?

Our site caters for people with allergies, and they're really good at it. Parents of youth with allergies will need to fill out a form in the lead up to camp and our site does the rest.

I have a question that's not answered here.

We'd love to hear from you! Send us an email: josh.mcleod3@gmail.com
